

2023 Impact Report

The Lamoille Community House provides shelter and services to adults experiencing homelessness.

In 2023, we served 56 unique individuals by providing shelter and/or housing navigation services.

1614 bed nights

30 rides provided*

1500+ meals provided

We provide more than a bed and a hot meal, in 2023 we also:

connected

8

people with a primary care provider

helped

5

people find stable housing

assisted

7

people in finding employment

referred

11

people to other needed services

**Utilization of our newly purchased van started late in 2023 in order to bring our guests to community breakfasts, recovery groups, appointments, and to pick people up who need to access shelter but have no transportation. Utilization will be higher after a full year of use.*
